Thomas, Nia, and Rebecca race each other all over the Island of Sodor. They go **FAST!**

When Thomas goes past McColl's farm, he has to **SLOW** down to let the cows cross the road. Mooove aside, cows!

Before Thomas
zooms by, find these
FAST things:

And these
SLOW things:

Thomas takes Mr. Bubbles the clown, with bubbles and balloons, to a festival. The cargo is so **LIGHT**, Thomas feels like he isn't carrying anything at all.

When Thomas hauls **HEAVY** rocks from the quarry, he has to huff and puff to get up the hill. At the top, he feels strong and proud!

While Thomas catches
his breath, find these
LIGHT things:

And these
HEAVY things:

The children of Sodor wave to Thomas and Hiro from **FAR** away.

When the engines get **NEAR**, Thomas can hear the children cheering. Thomas whistles *peep-peep* to say hello!

Search for these
things that are
NEAR:

And these things
that are **FAR:**

Thomas imagines what winter would be like in the warm continent of Australia. The **COLD** snow and ice would be fun to share with the folks down there who rarely get to see—or feel it! *Brrrr.*

Thomas would show his friends how to keep **WARM**, too!

Buddle up to
find these
COLD things

And how
WARM things

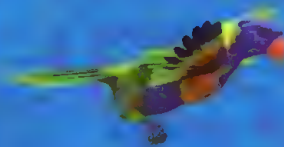

When Thomas visits the rainforest in Brazil, it is **QUIET**. Thomas sees colorful birds and hears gentle ocean waves.

In the city, he finds himself in the middle of a very **LOUD** parade! With the music and the cheering crowd, Thomas can barely hear his own boiler!

Look closely to find
these **QUIET** things:

And these
LOUD things:

Thomas is in **FRONT** when he pulls his passenger coaches, Annie and Clarabel. As the leader, he always looks ahead to make sure the tracks are clear.

Clarabel likes to be the last coach in line. She faces backwards so she can see the hills, trees, and animals **BEHIND**.

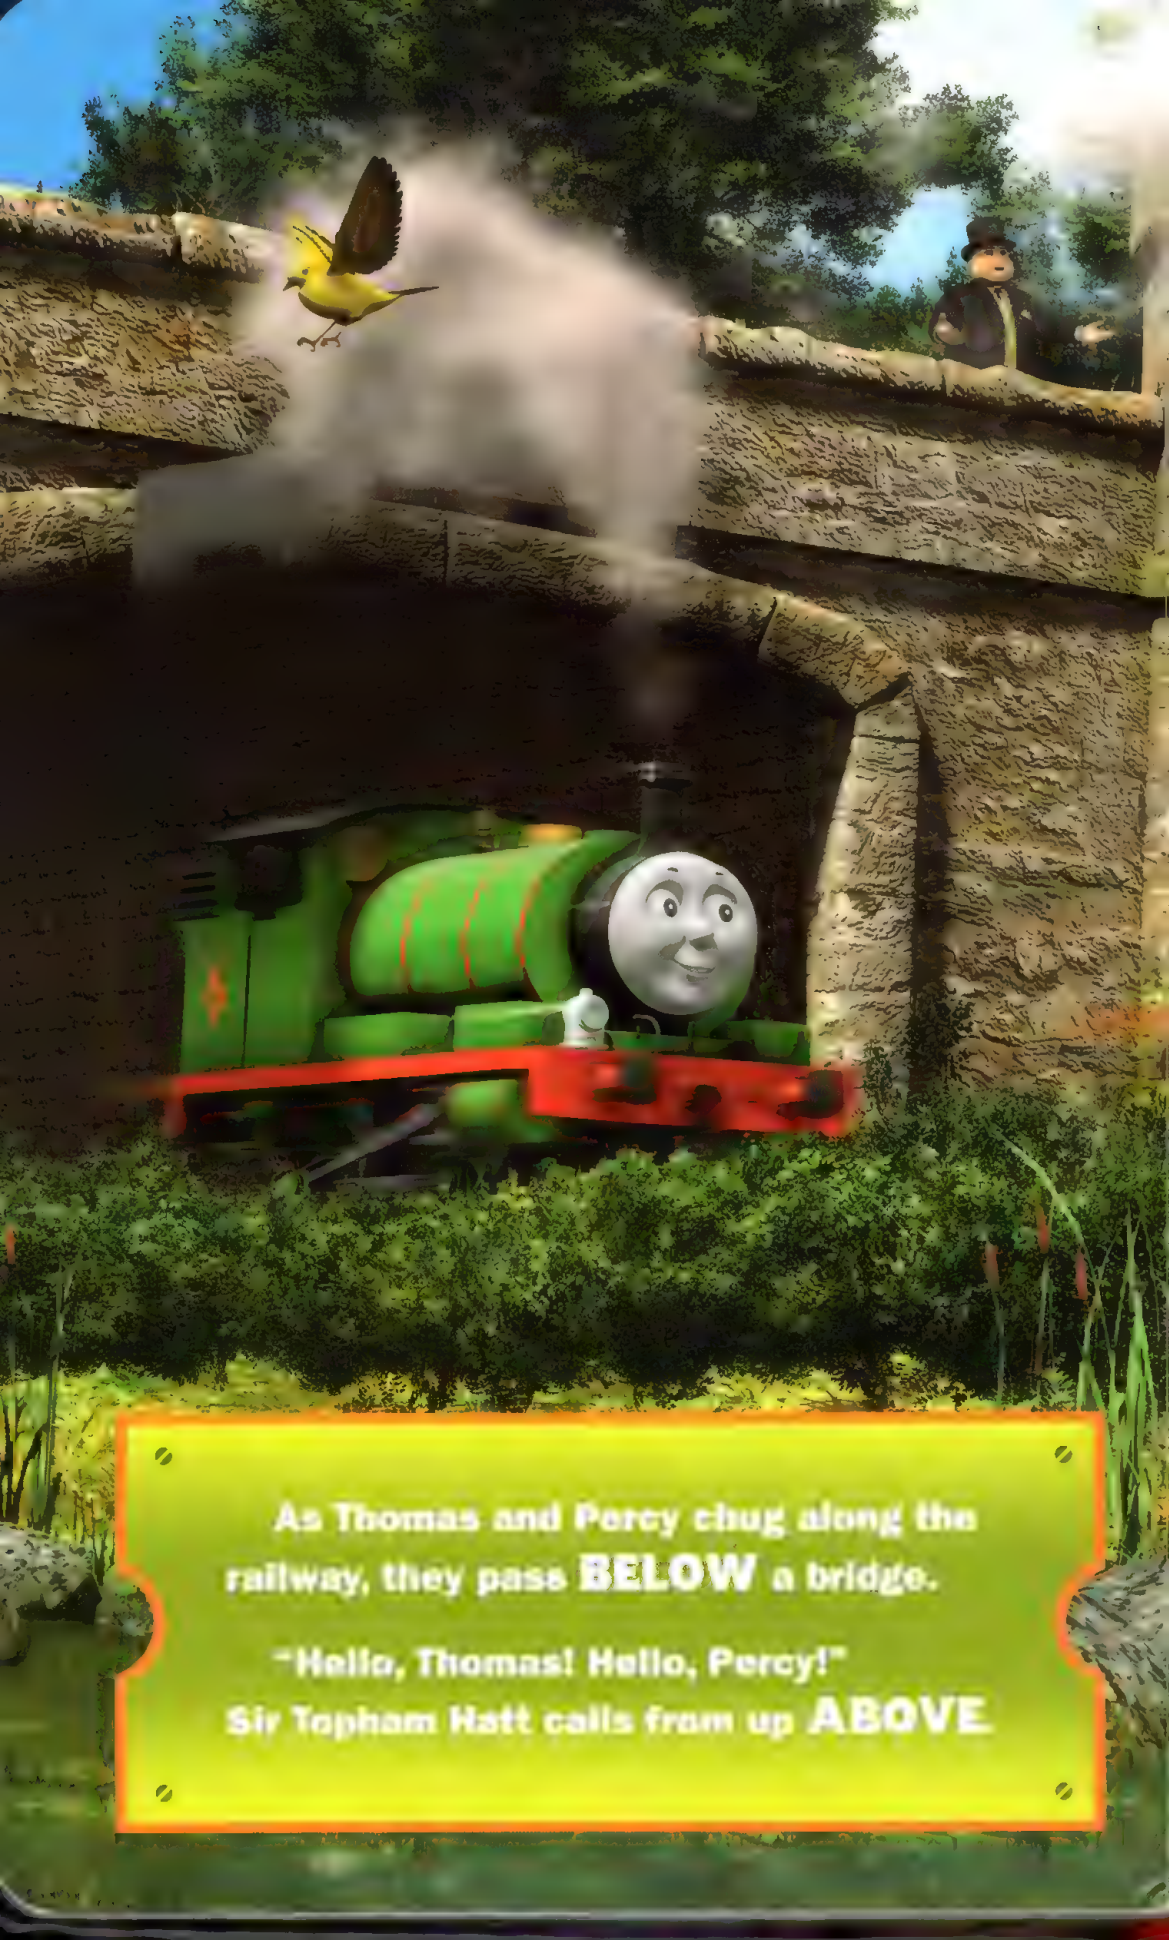

Take a look and
find these things
in FRONT:

And these
things
BEHIND:

As Thomas and Percy chug along the railway, they pass **BELOW** a bridge.

"Hello, Thomas! Hello, Percy!"
Sir Topham Hatt calls from up **ABOVE**.

First Thomas
UNDERGROUND

And Thomas
Friendly Friends
ABOVE

On a trip to India, Thomas slips off the tracks into a big mud puddle and gets all **DIRTY!** Luckily, an elephant helps Thomas back onto the tracks.

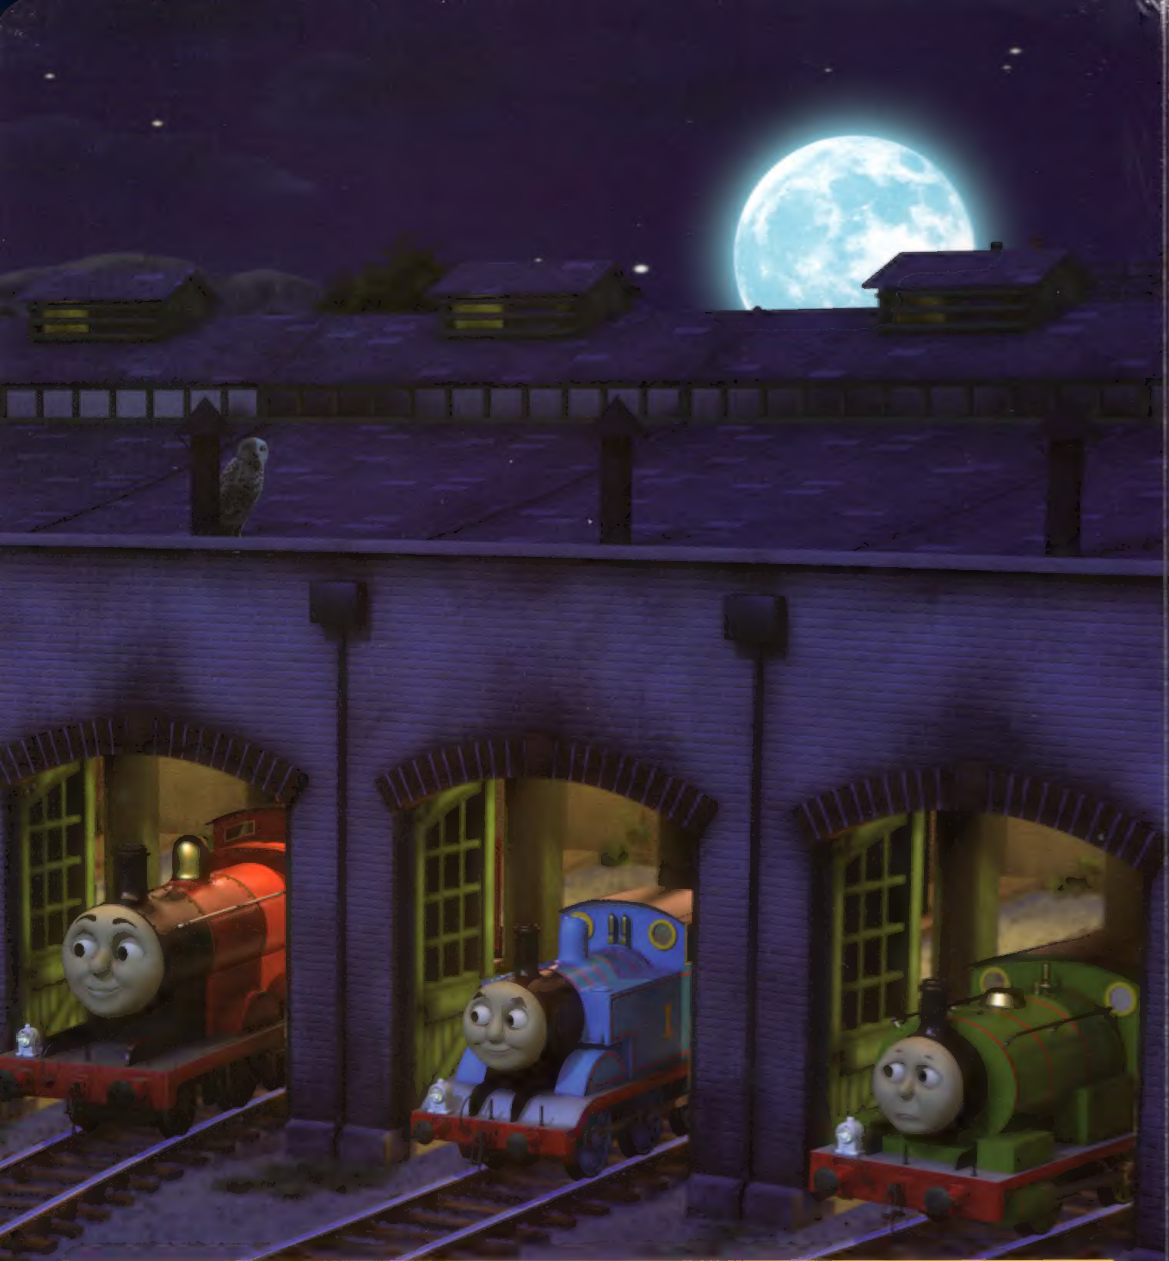

The elephant uses her trunk to spray Thomas with water. Now, Thomas is sparkling **CLEAN!**

Watch out for puddles
as you look for these
animals getting **DIRTY**:

And find these
friends keeping
CLEAN:

At **NIGHT**, all the engines sleep at Tidmouth Sheds. They deserve a good rest! Thomas says good night to his friends and dreams about tomorrow's adventures.

The next **DAY**, Thomas and the other engines work hard pulling passengers and cargo. They are Really Useful Engines!

Before the engines fall
asleep, look for these
things at **NIGHT**:

And then find
these items
during the **DAY**:
